ERICH LORAIN T. DE LA CERNA

Student

BACKGROUND

I am a Bachelor of Science in Information Technology student at Bukidnon State University. For me to be an IT professional is to be a problem solver, and I am passionate about using technology to create solutions that make a positive impact. I am eager to apply my skills and knowledge in a real-world setting.
I'm interested in learning a lot if lesson in this field, being an IT student wants me to explore more about the field of IT and to be a part of the industry. I am excited to contribute my skills and enthusiasm to a dynamic team, while also gaining valuable experience that will help me grow as a professional.
